Board of Selectmen  
Tom Alonzo, Chairperson  
Town of Lunenburg  
Main Street  
Lunenburg, MA 01462

Dear Mr. Alonzo,

It took several years' preparation and planning on my part as Council on Aging director to initiate the Property Tax Work-Off Program. I am proud that in 1998 our town meeting originally approved an article setting aside \$5000 to provide this assistance to senior citizens. The next year our town did adopt the MGL Chapter 60 establishing the Tax Work-Off/Taxation Aid Committee.

Over the years it has served the town departments well and I am sure those departments would attest to the dedication of the many senior citizens who have worked with them.

It is therefore with regret that I must submit my resignation from this committee. When I retired in October 2008 I planned to continue on this committee. But it seems that life is taking an exciting and different turn for me and I will not be available to this board at crucial times.

I know the present members will carry on and I hope that the town will continue this program for many years to come.

Respectfully Submitted,

Jeanne DeBruin
