DPW

Lunenburg, MA 01462

1. Call to Order - 7:05pm

Attendance: Dennis Mannone, Karin Menard, Bob Robuccio, DPW Director Jack Rodriquenz.

2. Marshall Park (Chestnut Street Field)- A residential home sustained damage to two windows due to a foul ball during a scrimmage and a game last weekend. This has been an on going problem with some foul balls causing damage to this home. An additional backstop had been installed before the start of the season but that has clearly failed and an alternative needs to be found and a temporary solution put in place. Jack has done some research and reached out to a local company for a design and quote to construct a netted barrier that would contain most foul balls. He will forward information as it becomes available.

Motion made by Dennis Mannone / Seconded by Bob Robuccio - Baseball games temporarily halted and practice will be allowed with use of batting tunnel. Passed 3-0.

3. Wallace Courts (unanticipated) - Jack Rodriquenz and subsequently Dennis Mannone were approached by a local group wanting to play summer basketball at Wallace Park. Discussion was had regarding instituting a \$10 per Lunenburg player per season for use of the courts since that is what is currently being charged to Lunenburg Little League for use of the baseball fields.

Motion made by Dennis Mannone / Seconded by Bob Robuccio- \$10 per Lunenburg Player Fee for use of Wallace Park. Schedule to be submitted by organization and a Certificate of Insurance must be provided. Passed 3-0.

4. Motion for Adjournment at 8:45 by Dennis Mannone / Seconded by Karin Menard. Passed 3-0.
