**Public Comment**

Debbie Sundstrom (214 Cross Road) and Nancy Beech (180 Cross Road) brought their concerns about paving being included in the betterment, the cost of the betterment and the cost to hook up into the sewer to the Commission. The Commission discussed both of their concerns and answered their questions.

**Appointments**

**Fats, Oil, Grease (FOG) Working Session with Deb Trumbull, SWSS**

The goals for the workshop were outlined by the Commission. There was discussion on defining terminology and what the current regulations are. The Commission also discussed the importance of getting restaurants to comply and the repercussions for non-compliance. Educating restaurants on the regulations and applying for waivers was reviewed. The Commission went on to define what the expectations of the contractor are. It was determined that the current regulations need to be revisited and updated. It also needs to be confirmed that log postings are located by each grease trap. The Nashoba Board of Health will be contacted regarding what happens when a permit to discharge FOG into the system is suspended.

**Current Business**

**Order of Assessment** – The Commission signed the Order of Assessment for 7 Riley Road.

**Debrief/Discussion on Open Meeting Law Presentation of 9/30/15** - There was a review of the Open Meeting Law Presentation from September 30, 2015. The Commission discussed the different scenarios and setting up email accounts through lunenburgonline.com.

There was a brief discussion of Sue B's involvement on Pratt Street due to her proximity.
