

LUNENBURG HISTORICAL COMMISSION DEMOLITION DELAY DETERMINATION FORM

The intent and purpose of the demolition delay by-law is to protect the historic and aesthetic qualities of the Town of Lunenburg by preserving, rehabilitating or restoring significant structures which reflect distinct features of architectural or historical resources of the Town. The period of demolition delay is meant to provide owners of significant structures with time to consider alternatives to demolition, thereby promoting the public welfare and preserving the cultural heritage of the community. To help us facilitate this goal, please fill out this form in conjunction with the application for Demolition Permit made with the Building Official. Within five (5) business days of receiving this form, the Historic Commission will render a determination whether a Demolition Plan Review is required.
