## Information Session and Promotional Flyer about Community Solar

As a follow-up to our conversation about Nexamp's Community Solar available to Lunenburg residents, I spoke with Nexamp last week to discuss putting a joint promotional mailer to increase awareness about the program and they are also going to hold two informational sessions in the month of May for residents to come hear about signing up for discounted electricity. The mailer will include details about the program including that the discount is a 15% discounted rate on electricity and for the first 45 days this will only be open to Lunenburg residents.

The informational sessions will be on Wednesday, April 10th at 6:30 p.m. location at the Lunenburg MS/HS Collaborative Room and Saturday, April 13th at 10 a.m. in the Library.

## Donation of Memorial Bench for Whalom Lakefront

The family of Mr. Lionel Edes has donated a granite bench in his memory to be installed on the Whalom Lakefront. Mr. Edes was a lifelong resident of Lunenburg for almost 56 years before he passed on February 23, 2019. As Mr. Edes fished on Lake Whalom, the children of Mr. Edes all worked at Whalom Park growing up, and Mr. Edes' wife walked along that lakefront on a daily basis for years therefore the Whalom Lakefront has special meaning for the Edes family. The DPW has offered to install the bench at a date to be determined.

## More information

This will be the big kick-off event for announcing that Lunenburg is in the process of becoming a recognized Dementia Friendly Community. Town officials, public, and legislators will be invited to attend, as well as an invitation to the Governor's Office and the Mass Council on Aging and Executive Office of Elder Affairs.

## Meetings:

- AT&T FirstNet Presentation: I attended a meeting today at the Dispatch Center in Devens for a presentation on FirstNet, which is a dedicated communications network tool that was created for and by public safety after 9/11. The Federal Government put out a RFP to create this network and AT&T was the only bidder and awarded the contract in 2017. Since then every State has

chosen to opt in and this is another option exclusively for public safety. Chief Sullivan and IT Director Steve Malandrinos also attended the presentation.

- Finance Committee has budget meetings with the DPW at 7:00 p.m. and Lunenburg Public Schools at 8:00 p.m. this Thursday in the Joseph Bilotta Meeting Room in Town Hall.
- NVRDD Negotiations: I will be attending a Dispatch Negotiation session on March 14th.
