hereby applies for the Annual Grease Trap permit for connection to sewer for

_____ and
FOOD SERVICE ESTABLISHMENT

_____ (if applicable) 2nd FOOD SERVICE ESTABLISHMENT

LOCATED AT No: _____ Street _____ in the Town of Lunenburg. I UNDERSTAND THAT:

- ☐ I must comply with the Grease Trap Regulations to receive and retain the Annual Grease Trap/Interceptor Permit or will not be allowed to discharge to Town sewer.
- ☐ I must allow the Town or its agent access to the premises for inspections. The cost of these inspections is included in my annual permit fee.
- ☐ All cleanouts of my external interceptor are my responsibility and must occur every six(6) months at a minimum, unless a waiver has been granted. Additional cleanouts may be required based on the results of the inspections.
- ☐ I must submit signed records of any cleanouts/repairs/maintenance on the approved **Interceptor Service Report** to the Sewer Commission or its agent within 30 days of the activity to remain compliant. (Monthly maintenance logs for internal traps must be kept but submittal of monthly reports for internal traps will not be required, as long as proof of connection to the Interceptor is provided).
- ☐ I must maintain records of all cleanings/maintenance/repairs onsite and have available for inspection.
- ☐ The Sewer Commission or its agent may visit the premises without notice to verify compliance.
- ☐ My compliance status affects my annual permit fee.
- ☐ I must remain compliant throughout the year or be subject to a non-compliance fee of \$50.00, and subsequent charges of \$25/day if I remain out of compliance, effective with the 1st day of non-compliance.
