The Police Chief will be submitting an article for the fall town meeting to request funds from this account to pay for costs related to a Co-Response Mental Health Clinician.

Employee Highlights

- Council on Aging: Thank you to all the volunteers and staff at the Lunenburg Adult Activity Center. They have been short staffed during the last several months, especially in the kitchen, and the staff and volunteers have stepped up to the plate by filling in where needed in the kitchen by learning how to "job share", driving multiple meals on wheels routes, and just going the extra mile to keep the center up and running. The Kitchen staff includes Pamela Mallykangas, Elsa Watson, and Ann Penney and the kitchen volunteers are Joyce Boyce and Deb Lincoln.
The COA van drivers are always ready for a challenge. Currently MART is using Lunenburg as a test site for new driver software but our drivers always manage to get the passengers to their destinations safely. The Van Drivers are Dave Gallagher, Kimberly Moore, and Michelle Beauvios. A special thanks to Jim McGuigan, who although he has tried to retire as a driver, agreed to come back anytime as an on-call driver when needed.

Thank you to all the Meals on Wheels Drivers which include Laura Boussom, Cynthia Romano, Betty Orlow, Walther Orlow, Larry Letarte, Robin Roach, Tricia Arsenault, Bob Hamel, Elise Schofield, Robin Cilmi, Louann Longenecker, Carol McShane, Robin Roach & Melody Nielsen.

Thank you to the Outreach Coordinator Pauline Roy and to COA Director Sue Doherty who always goes above and beyond in managing the Center and making the Center a welcoming place for seniors and always trying to improve the lives of our seniors.

- Land Use: As noted in last week's meeting, the lack of having a Conservation Administrator has caused a backlog of work for that office and has caused more questions and follow-up on conservation related issues that have been directed to the Land Use Director Adam Burney. Thanks to Adam for trying to field the questions that have been directed his way due to the absence of the Conservation Administrator and working with the Assistant Town Manager on interviewing any applicants with relevant experience.
- Treasurer/Collector's Office: This past year the staff in the Treasurer/Collector's Office has had to work extra hours, including Fridays and Saturdays, due to the number of abatement refunds and a vacancy in that office that caused a backlog of work. The staff has also had to address angry and upset residents repeatedly for many months. Thank you to the Assistant Treasurer Sue Murchie, Collector Principal Clerk Erin Mahoney, and to the Treasurer/Collector Myleen Mallari.
- Assessors Office: It goes without saying that this year has been especially difficult for the Assessors Office and the Board of Assessors. The current Interim Principal Assessor Rena Swezey came out of retirement and assisted the Town in our time of need. Assessing Administrative Assistant Sheila Craigen has been amazing and has also worked extra hours in order to keep up with her regular duties and the abnormal amount of calls, emails, and foot traffic to that office this year. Thank you to both Rena and Sheila for keeping that office functioning.
